Your town - your plan

**How should
central Ealing
develop?**

*The Forum has already
asked for your ideas. We
now need your help to
decide what should go into a
plan for the neighbourhood.*

Do you share our Vision for central Ealing?

Are the questions we have asked the right ones?

What should the Forum do about people's views?

*These and other questions are in our survey on the issues and
options for the neighbourhood plan.*

Please complete the survey at www.CentralEalingForum.com. If you
want a paper copy, ask at the Town Hall, New Broadway, W5 2BY, at
the Central Library in the Ealing Broadway Centre, or write to:
