

Dear Ealing Planning,

I would like to write to you to express my support in the Central Ealing Neighbourhood Plan. Ever since the Ealing Neighbourhood Forum tried to get involved with the council planning of Ealing's Neighbourhood, I have always been impressed with the way that they have expressed a balanced and positive opinion of the buildings and infrastructure within Ealing. This latest documentation provided for this Central Ealing Neighbourhood Plan is detailed and well thought through. I believe they have looked at all aspects of how to make Ealing into a sustainable environment, balancing heritage with modern demands and I fully support their proposal.

Although I do not live in the Central Ealing area designated by the plan, I would love the opportunity to vote on such issues as my family and I regularly use facilities within this area as we travel daily through Ealing Broadway.
